Message from Fr. Mutholath

Upgrading this bulletin to Region Weekly

Dear Knanaya Brothers and Sisters,

You might have noticed that this is the 8th volume of this parish bulletin. That means we have been continuously publishing this weekly bulletin during the past seven years without any interruption. Media, especially community journalism has great impact in the development of a community by means of information sharing and opinion making. The Knanaya Catholic Mission that had three weekly Holy Mass at OLV church in Chicago on Sundays, at St. Joseph's Church on Saturdays, and at KCS community center on Thursdays has developed immensely since we start this bulletin on October 2, 2005. This bulletin has contributed much in the growth of our mission to two very active parishes.

While acknowledging with gratitude the support of our advertisers, writers and volunteers, I am happy to inform you that this bulletin is now in the process of an up gradation from parish bulletin to region weekly. The start date of the publication is not yet finalized because we are still seeking advertisements, sponsorships, and completion of mailing list of all the Knanaya Catholics in the United States and Canada.

The following are some of the specialties of the proposed print version of Knanaya Media weekly:

1. Unlike the size of this parish bulletin, the Knanaya Media will have the size of a regular newspaper.
2. Instead of making the periodical available in the church premises, this paper will be mailed every week to all the Knanaya Catholic families in the U.S. and Canada. So its circulation will be more than 5,000 copies.
3. The annual subscription of the paper is \$40. However, there will be a special deal of \$100 for those who subscribe together for three years. We will

make subscription for those who cannot afford it.

4. As a non-profit enterprise, the goal of this media is to educate and inspire Knanaya Catholics in North America on community, church, and spiritual topics whereby develop the unity of the community.
5. This media will contain news of Knanaya Catholics in North America in detail, summary of Knanaya Catholic news in the global level, features on various community events and persons, inspiring articles on spirituality, pastoral letters and circulars of the Major Archbishop, Archbishop Mar Moolakkatt, and Bishop Mar Angadiath, special events of Knanaya Region, Knanaya parishes, missions, and associations. The media will also introduce prominent people from the community, achievement of the community members, and obituary. It will also include entertainment section including novel, short stories, satiric cartoons, and comic strips.
6. One third of the 12 pages will be set apart as English section for those who can read English. People of all ages are welcome to contribute in this section.
7. Since this printed paper will be mailed to 5000 Knanaya Catholic homes in North America, this would be a good media for communicating your advertisements and greetings to the community who knows one another. So I invite all of you to market your business through this effective media. You can also include advertisements like matrimonial. Photo of recently married, greetings for birthday, wedding anniversary, jubilee, death anniversary, and favors received.
8. We will be transferring your favorite sections and all advertisements from this bulletin to the Region Media. If requested, we might consider separate section for each parish.

News and advertisements can be mailed to news@knanayamedia.com. Material for English section shall be sent to youth@knanayamedia.com. Please cooperate with your news, write-ups, advertisements, and sponsorship.

With lots of love,
Fr. Abraham Mutholath
