# Merry Christmas & Prosperous New Year

Dear Parishioners,

Only few hours left for the celebration of Jesus' birth in our Parish Church! The Incarnation of Jesus reveals an incredible message to each one of us, a message of **joy, peace and hope**. Those who share these messages need to respond with love for one another. The people need to grasp the real meaning and celebrate Christmas in the inner serenity as it has a profound divine content to be understood. Without spiritual preparation it may be difficult to experience the peace and joy of Christmas. Christmas offers us a peaceful life filled with Christian hope. We have to remember that the world will give real peace only when we share our love and kindness to others with a compassionate heart.

In this year we were able to celebrate "The Year of Family and Consecrated life" with various pastoral activities and generous sharing. The priests and executive committee of St. Mary's Knanaya Church really want to express our gratitude for each and every one of you for your prayers, love, support and generous sharing towards your second home, our church.

We are about to enter in to the 'Jubilee Year of Mercy' 2016. Let us work together to show our families and friends the heart of mercy and compassion in every action we do in the forthcoming year. Together with the universal church let us continue the spiritual works of Mercy in the course of our daily life. May the birthday of Christ sow seeds of peace in your heart and may Christ renew hope in your life. We wish you a Joyful, Peaceful, Hopeful Christmas.

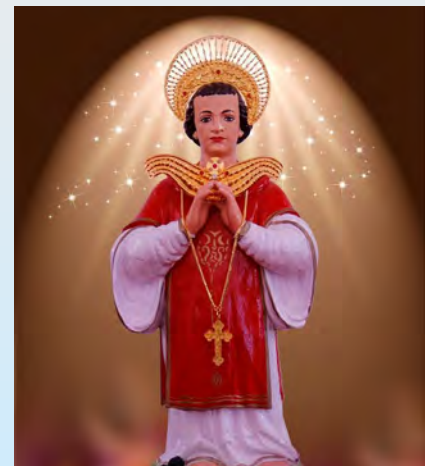

Fr. Thomas Mulavanal (Pastor)  
Fr. Joseph Chirappurathu (Associate pastor)
