How can we show others the Mercy of God? We say that God is compassionate, but we ignore the poor. We say that God loves us and has mercy on us, but we hold grudge against our friends. Our ac-

tions need to authentically reflect God's Mercy.

Save a Family Project

By donating \$20 or more per month to a poor family. The money we send to India will reach different parishes and the vicar of each parish will distribute the money to a poor family. The family which gets your help will contact you in response. So please provide your address and phone number along with the donation.

Thank you and God bless you.
