Gospel message

Jesus went to Jerusalem knowing full well what awaited him -- betrayal, rejection, and crucifixion. The people of Jerusalem, however, were ready to hail him as their Messianic King! Little did they know what it would cost this king to usher in his kingdom.

Jesus' entry into Jerusalem astride a colt was a direct fulfillment of the Messianic prophecy of Zechariah (9:9): Rejoice greatly, O daughter of Zion. Shout aloud, O daughter of Jerusalem. Lo, your king comes to you; triumphant and victorious is he, and riding on an ass and upon a colt the foal of an ass. The colt was a sign of peace.

Jesus enters Jerusalem in meekness and humility, as the Messianic King who brings victory and peace to his people. That victory and peace would be secured in the cross and resurrection which would take place in a matter of days at the time of Passover. Psalm 24 is another prophetic passage that echoes this triumphal procession of the King of glory: Lift up your heads, O gates! and be lifted up, O ancient doors! that the King of glory may come in. Jesus Christ came to bring us the kingdom of God. He is the true King who offers peace, joy, and everlasting life to those who accept his kingship. Does the King of glory find a welcome entry in your heart and home? Do your walls echo with the praise of his glory?

"Lord Jesus Christ, may you always be the King of my heart and the Ruler of my home. Let your peace reign in my life that I may find joy in your presence now and forever."

CCD NEWS

Holy Week

During Holy Week, the most sacred week of the Christian liturgical calendar, we celebrate Palm Sunday, Maundy Thursday, Good Friday, and Easter. It serves as a week to reflect on our lives and Jesus's life, crucifixion, and resurrection. It also reminds us of God's love for us, his children. Palm Sunday, or the first Sunday before Easter, is where we celebrate the entry of Jesus into Jerusalem. Maundy Thursday commemorates the Last Supper. Good Friday observes the day Jesus was crucified, and Easter celebrates his resurrection.
