Gospel message

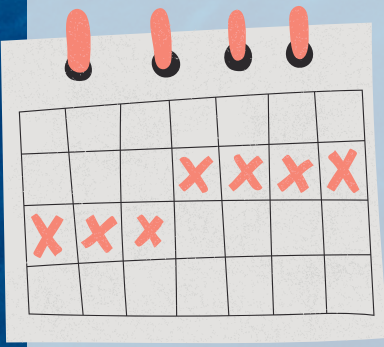

Does the Lord ever seem distant to you? When John recounted the apostles being alone at sea in a storm he described the situation as “dark” (John 6:17). It was dark not only physically but spiritually as well. Although they were experienced fishermen, they were fearful for their lives. The Lord’s sudden presence on the sea only made them more fearful! John says they were frightened. And Jesus had to calm them with a reassuring command: “Do not be afraid because I am here with you!”

Aren’t we like the apostles when we experience darkness and adversity? While the Lord may at times seem distant to us, he, nonetheless is constantly present. The scriptures remind us that the Lord is “a very present help in trouble” (Psalm 46:1). Whatever storms make beset us, he promises to “bring us to our desired haven” (Psalm 107:29-30). The Lord keeps watch over us at all times, and especially in our moments of temptation and difficulty. Do you rely on the Lord for his strength and help? Jesus assures us that we have no need of fear if we trust in Him and in his great love for us. When calamities or trials threaten to overwhelm you, how do you respond? With faith and hope in God's love, care and presence with you?

“Lord, may I never doubt your saving help and watchful presence, especially in times of adversity. Fortify my faith with courage and hope that I may never waver in my trust in you”.

CCD NEWS

Social Justice Sunday

This week, the Catholic Church of Australia celebrates Social Justice Sunday. Since its beginnings in 1940, it has grown to a large holiday encouraging all to be compassionate towards others. Although the holiday itself is Australian, the mission that drives it should ring true for all Catholics: to offer every person an equal chance to succeed. This year, the theme of SJS has been selected to be violence, and particularly violence within families. Take this Sunday as an opportunity to think about those you have hurt, physically or emotionally, knowingly or unknowingly, and think about things you can do to apologize. Let's all take this Sunday as an opportunity to "love our neighbors as we love ourselves".
